

THE CAPE FEAR ACADEMY MIDDLE SCHOOL MISSION

Believing that middle school is a unique period in the lives of students as they transition from childhood to adolescence, Cape Fear Academy Middle School is committed to providing a developmentally responsive, academically challenging, and empowering community so that our students advance to our upper school as confident, responsible learners.

DEVELOPMENTALLY RESPONSIVE

The middle school at Cape Fear Academy responds to the nuances of adolescence with age appropriate opportunities for students to take risks and safely grow creatively, socially, physically, and intellectually.

ACADEMICALLY CHALLENGING

The middle school at Cape Fear Academy maintains a rigorous, academic curriculum that embraces purposeful learning by providing programs and activities that are integrative, and relevant to the pursuit of advanced content in the upper school.

COMMUNITY

The middle school at Cape Fear Academy supports a diverse community while developing in students' self-awareness, values, and ethics, enhanced by the partnership between home and school.
