Thank you for choosing Cape Fear Academy’s Summer Programs!

We hope your child is excited and ready to participate in fun, unique, and dynamic programs that will create memories to last a lifetime. Whether your child chooses to be a princess for the week, hang out on the CFA ranch, dare to walk the plank, or become a graphic designer or a baker, he/she will not be disappointed! Cape Fear Academy’s Summer Programs offer engaging, educational, and exciting opportunities for a positive summer experience. This year we are excited to offer new STEM (Science, Technology, Engineering & Math) programs, more sports options, and enrichment programs.

Summer Programs will offer an extended care option, called Lunch Bunch, for those attending a morning or afternoon camp. If your camper would like to stay after his/her morning camp until 1 pm, or be dropped off at 12 pm before his/her afternoon camp, you may pay a $5 fee. Summer Programs will still offer Lunch Bunch at no charge for those campers attending both a morning and an afternoon camp. Lunch Bunch and Extended Care registration is through the camp office only.

Don’t forget that ONLINE Registration is just a click away at www.capefearacademy.org. To register, simply click on “Summer Programs” on the home page, then click “Register Online” and Create an Account so that you may begin browsing and choosing all of the fun opportunities!

Thank you for selecting Cape Fear Academy as your child’s choice of camps for 2021. This is a summer not to be missed! Please note that campers and families are expected to follow all health and safety guidelines that Cape Fear Academy follows for the 2021 summer.

Warmly,
Mary Lyons Rouse
Director of Auxiliary Programs

Is your child attending a morning and afternoon camp? Don't want to pick him/her up between camp sessions? We can help! Cape Fear Academy Summer Programs now offers our Lunch Bunch program. We will pick campers up from their morning camp session, supervise them through lunch, and walk them to their afternoon camp session. Summer Programs will offer an extended care option as well, for those only attending a morning or afternoon camp. If your child would like to stay after his/her morning camp until 1pm or be dropped off at 12pm before his/her afternoon camp, he/she can do so for a nominal $5 convenience fee. Bring lunch, play a game, and have a little extra time to hang out with new and old friends!

Study Skills for Success | Jumpstart into 6th Grade: What you need to know!
DINO-mite Camp
Rising grades PK-1 | 9:00 am - 12:00 pm

Can't get enough of all things prehistoric?! Do you truly DIG Dinosaurs and want to learn all about a Tyrannosaurus Rex and a Deinonychus? Do you know the difference between a Stegosaurus and an Ankylosaurus? Dinosaurs may be extinct but they will come to life during this week-long DINO-mite camp. Mini paleontologists will enjoy fossil digs, dinosaur egg hunts, creative crafts, and more. If you love the Triassic, Jurassic, and Cretaceous periods, this is the camp for you. It is time to go back to when dinosaurs ruled the earth!

Cost: $165
Instructor: Anna Whipple, CFA Teacher Assistant

Fancy Nancy and More, OH MY!
Rising grades PK-1 | 9:00 am - 12:00 pm

Bonjour, Fancy Friends! Put on your feather boa's, and dress your best for a week of fancy fun! In this extraordinary week campers will hold a tea party, design tutus and tiaras to take home, visit a French bakery (Oui, Oui!) and of course make iridescent accessories that shimmer and shine. Ooh la la, a beauty spa, scrumptious snacks and, of course a fancy fashion show with a visit to the photo booth (How posh!). You won't want to miss out on this soiree (that's fancy for party)!

Cost: $165
Instructor: Shelby Hollingsworth, CFA Teacher

Harry Potter and the CFA Stone
Rising grades 1-5 | 1:00 pm - 4:00 pm

Tired of being a muggle? Come to Hogwarts for a crash course in wizardry! Upon arrival at Hogwarts you will be sorted into houses, acquire wizarding scarves, and play Quidditch! You will spend the rest of the week immersed in a different Hogwarts class each day: Charms, Potions, Care of Magical Creatures, Herbology, and Defense Against the Dark Arts. Wands, potions, houses, acquire wizarding scarves, and play Quidditch! You will spend the rest of the week immersed in a different Hogwarts class each day: Charms, Potions, Care of Magical Creatures, Herbology, and Defense Against the Dark Arts. Wands, potions, magical pets, biting books, wizard duels, and hunting horcruxes are just a few adventures that await you!

Cost: $165
Instructor: Kendall Welch, CFA Coach

Creative Calligraphy
Rising grades 6-8 | 9:00 am - 12:00 pm

Modern calligraphy has surged in popularity over the years and has allowed all levels to embrace all that modern calligraphy has to offer. Calligraphers will use their creativity to craft beautiful projects such as wall art, luggage tags, note cards, and even personalized stationary they can use for any and all occasions. Campers will have the opportunity to explore local parks and take a stroll to downtown Wilmington to get their creativity to flow and to really be able to put calligraphy pen to paper!

Cost: $165
Instructor: Nancy Phillips, CFA Learning Specialist
FROZEN: Into the Unknown... Kingdom of CFA
Rising grades PK-1 | 9:00 am - 12:00 pm
AH-AH-AH-AH the adventure continues as all of your Frozen friends return to embark on a journey to discover Elsa and the origin of her magical powers and to help save the kingdom of CFA as campers follow the mysterious voice into... the Unknown. To embark on the long journey campers will make princess crowns with jewels and gems, so that Elsa and Anna shimmer, and reindeer antlers for Sven, so he can guide us through the snowy trails. We'll create frozen treats such as Kristoff's ice blocks, Olaf's snowman buttons and, of course, frozen hot chocolate with floating snowballs. This camp is one you will be "snow" glad you attended!

Cost: $165
Instructor: Anna Whipple, CFA Teacher Assistant

PAW Patrol: Pup's Playing at CFA's Adventure Bay
Rising grades PK-1 | 9:00 am - 12:00 pm
Join your plucky paw pals as they save the day at CFA's Adventure Bay! Instructor Ryder will lead these adventurous rescue dogs to train, lead, and use their skills on a daily basis. Meet Zuma and friends for a day on the water at CFA's Adventure Bay with pups splashing and splashing and ready to dive into the water fun. Join Marshall and his real life fire truck to learn about being a brave fire dog and what it takes to be safe and smart. Help Chase make paw patrol badges and join in on solving the mystery of the day by sniffing out all of the clues that lead to the answer. And don't forget about the healthy dog snacks such as cheese ruffs, pawtato chips and, of course, the pupperoni pizza. This PAW-TY of a camp is one is not BOW out on!

Cost: $165
Instructor: Amy Croom, CFA Nurse

Spaaaaatacular: Pamper, Primp, and Relax
Rising grades 1-5 | 9:00 am - 12:00 pm
Why go to the spa when the spa can come to CFA? Each day is a treat-yourself day at the CFA Spa! Campers will start the morning by preparing healthy, nutritious yet DELICIOUS smoothies and then work on yoga techniques, poses, stretches, and more to get their bodies moving. After these yoga youngsters have warmed up, they will have time for mini-manicures, petite pedicures, facials, hairstyling, and more! Bathing beauties will receive a visit from a nail technician and hair stylist and will learn all about the daily operations of running and operating a spa and have the opportunity to talk with the nail technician and hair stylist. Sit back, relax, and stay awhile at the Spa at CFA!

Cost: $165
Instructor: Julie Katier, CFA ASP employee and UNCW student

Website Design
Rising grades 5-9 | 9:00 am - 12:00 pm
It’s time to browse and click the home button to learn then ins and outs of website design. Have you ever wondered how websites work or wanted to build your own website from the ground up? Join the world of HTML coding and CSS style, and create a site that’s all your own! Designers will learn the basics of HTML coding and style sheet navigation and will complete a hands-on development project that will allow them to create a personal, multi-page website. Don’t forget to click on www.websitedesignfun.com

Filmmaking
Rising grades 6-12 | 9:00 am - 12:00 pm
Lights! Camera! Action! This fun and exciting program allows students to work directly with a filmmaking instructor from the Wilmington film industry to produce, direct, shoot, and edit their own short films in just five days! Students will learn how to utilize titles, transitions, music, special effects, and live-action video techniques while developing their own stories worthy of the big screen! Working in a video production studio environment equipped with Panasonic HMC150 HD video cameras and Apple's Final Cut Pro X editing software, students will learn first-hand how to shoot and edit their own short narrative films. A professional instructor with over twenty years of experience in film, television, and video production will guide students through this fun, exciting, and educational filmmaking experience, which will culminate in students’ film-screening premiere!

Cost: $165
Instructor: Benedict R. Fancy, CFA Photography, Film and Video Teacher / Independent Filmmaker
**WEEK TWO | JUNE 14 - 18**

**Messy Mini Michelangelo’s**  
Rising grades PK | 1:00 pm - 4:00 pm  
They are mini, they are messy, and they are artists in the making! Each day, campers will create masterpieces using finger paints, glitter, glue, and more. Artists will paint birdbhouses, create unique tiles, decorate and design different ceramic pieces, and make picture frames. Each day they will also make creative snacks like Picasso pizza, Monet mix, and Van Gogh vegetables.  

**Cost:** $165  
Instructor: Anna Whipple, CFA Teacher Assistant

**How the Grinch Stole...Summer!**  
Rising grades K-4 | 1:00 pm - 4:00 pm  
Calling all Whos for a week of Holiday Whobilation! The Holiday Cheermeister will organize, plan, and celebrate various holidays…hoping that the Grinch does not steal the Whobilation by climbing down Mount Crumpit and ruining it for all Whos. Enjoy Halloween Whoosplat with costumes, candy, and the hope that all pumpkins remain orange and not green…May Grinch, you’re so mean! A Thanksgiving feast of all the food concoctions you can chew…just make sure to include Cindy Lou Valentine’s Day treats and cards made with kisses…in hopes that the Grinch definitely misses! Each day will be a Whobilation of fun …if you see the Grinch, just make sure you run!  

**Cost:** $165  
Instructor: Kendall Welch, CFA Coach

**Arcade Electronics Galore: Snap Circuits and More**  
Rising grades 2 - 5 | 1:00 pm - 4:00 pm  
Get ready to build and play your own arcade games and more. Campers will have access to: resistors, switches, wires, LED diodes, transistors, and more. This STEM/STEAM concept will allow campers to use building pieces with snaps to assemble different electronic circuits on a simple base grid that will function like the printed circuit board found in many electronic products. Build circuits to test your memory, an electronic circuit that plays the card game 21, and learn to program the circuit board to emit different funky sounds. Play with the disco ball, sirens, or a light show, and learn the effects of the different electronic components and what amps, volts, resistance, and power are.  

**Cost:** $185  
Instructor: Amy Croom, CFA Nurse

**EV3**  
Rising grades 5-8 | 1:00 pm - 4:00 pm  
Come explore the world of robotics with Cape Fear Academy's very own Mindstorm EV3 camp. Robotic game controllers will be built and used to play a video game you write in Scratch. Challenge yourself to complete the “Space Science Challenge Set” as you design and program a robot with sensors and mechanical arms. SumoBots will be designed and competitions held to see who will own the title of SumoBot champion. Who knew a robot could do so much in so little time?!”  

**Cost:** $185 (please not that all robots will remain on the Cape Fear Academy campus at the end of camp)  
Instructor: Bill Kanzniger, CFA Teacher

**WEEK THREE | JUNE 21 - 25**

**Tiny Tennis Tikes**  
Rising grades PK-K | 9:00 am - 12:00 pm  
It's never too early to begin learning about the classic game of tennis. Campers will work on hitting techniques, hand-eye coordination, positioning, and strokes. Each day players will be able to work one-on-one with the instructor and also practice what they have learned with others. This introductory camp will incorporate fun games and drills, so campers learn while having a great time!  

**Cost:** $175  
Instructor: Kendal Welch, CFA Coach

**Wild, Wild West...Giddy Up!**  
Rising grades PK | 9:00 am - 12:00 pm  
Calling all western enthusiasts ready to have a WILD time! Each day cowboys and cowgirls will saddle up at CFA to create cowboy crafts, have teepee time around the fire, and wear their own handmade western gear. Cowboys and cowgirls will make their own loot bags for the gold rush, visit the trading post daily for the newest western gear, and even have their own stick horses to get them around the ranch. Daily grub such as frontier fruit, stagecoach slushies, and teepee trail mix will make cowboys and cowgirls enjoy their time together as they pow wow to talk about all the adventures they've had on the ranch that day. Watch out, there’s a new camp in town, and it is sure to be on the top of the totem pole!  

**Cost:** $165  
Instructor: Anna Whipple, CFA Teacher Assistant

**Soccer Starz**  
Rising grades K-3 | 9:00 am - 12:00 pm  
Boys and girls at beginner levels will learn and improve on their soccer skills. Coach Meade McFarlane covers basic techniques such as ball control, dribbling, passing, and finishing. Players learn skills and practice drills on the outdoor field, followed by a cooling-off session inside. Each day campers will get the chance to show off their skills in a small-sided game and, on Friday, guests are invited to watch!  

**Cost:** $175  
Instructor: Meade McFarlane, CFA Science Teacher and Coach

**Let's Get Growing: Gardening Camp**  
Rising grades K-2 | 9:00 am - 12:00 pm  
Camper, camper, how does your garden grow? With simple seeds and no weeds and flowers and herbs to feed. Join all of your gardening gurus and dig deep to learn all about plants and cultivating a successful garden with thriving flowers, herbs, and more. Throughout the week gardeners will work on a variety of gardening crafts, such as designing flower pots, planting and growing veggies, decorating watering cans, making successful herb gardens, and even learning how to prune and weed for the end result of a perfect garden! Make sure to plant your seed and register for all of the horticulture fun!  

**Cost:** $165  
Instructor: Kelly Barton, CFA Registrar
### Mad Science: Crazy Chemworks Camp
**Rising grades 1-5 | 9:00 am - 12:00 pm**
Scientists unite! Shake up a beaker of fun in the lab as a junior chemist. These five half-days of chemistry are packed solid with cool actions and reactions. Scientists will create elephant toothpaste, make invisible ink, work with static electricity, and even invent candy molecules! Students will also explore physics by working with particles of matter, changing states, and even rocket making! It is time to put on those goggles and get to work!

**Cost:** $165
**Instructor:** Brian Johnson, CFA Math Teacher

### It's a bird...it's a plane...no it's a bird!
**Rising grades 3-6 | 9:00 am - 12:00 pm**
Join in on all things bird with this educational and fun bird watching camp. Learn fun bird facts, create bird crafts such as bird seed houses, nests for your bird, bird feeders and even binoculars to be on the lookout for birds. Gain an understanding about the history of birds, their habitats and surroundings, and even learn all of the U.S. state birds and what each bird symbolizes. Campers will go on daily nature walks scouting out red, blue, brown, big and small birds, create snacks for the birds to enjoy throughout the week, and make habitats for birds. A little birdie said this camp is definitely not for the birds!

**Cost:** $165
**Instructor:** Christine Madigan, CFA Teacher

### Maker Space: Design, Create and Educate
**Rising grades 3-8 | 9:00 am - 12:00 pm**
Come explore the world of Maker in Cape Fear Academy’s new Innovation Center. Over the course of the week, campers will get to work with 3D Printers, CNC Machines (Laser and Router), an embroidery machine, a heat sublimation press, and a vinyl cutter, all while using the latest generation of computers. Imagine it, design it, create it…you can MAKE it real at CFA’s Maker Camp!

**Cost:** $185
**Instructor:** Bill Kanzinger, CFA Teacher

### Biology Basics
**Rising grades 5-8 | 9:00 pm - 12:00 pm**
Interested in the science of life and how to become a biologist? Did you know the brain works harder while you are asleep than during the day when you are awake? Learn these facts and more as you join future biologists and take a weeklong expedition as you research, analyze, and present results. Campers will participate in nature walks, laboratory experiences and more throughout the week, and will have multiple opportunities to learn the ins and outs of the world of biology.

**Cost:** $165
**Instructor:** Gabriella de Souza, CFA Science Teacher

### Write What You Know: Middle School Creative Writing
**Rising grades 6-8 | 9:00 am - 12:00 pm**
Put on your walking shoes, grab your writer's notebook, and let's write! This week, we will go "on location" for inspiration and ideas for creative writing. We will discuss writing techniques, read published works, and go on writing adventures. Writers will have the opportunity to also go off campus throughout the week to visit natural attractions, nature facilities, downtown, and a few other locations. In addition to our reading and writing, we will practice how working writers use writing critique groups and editorial feedback to improve their writing. We'll end the week with a celebratory open mic performance and go home with several new pieces of writing.

**Cost:** $165
**Instructor:** Emily Fancy, CFA English Teacher and published writer

### Zoom in on Digital Photography: Digital Photography for High School Students
**Rising grades 9-12 | 9:00 am - 12:00 pm**
Create photographic art by drawing with a flashlight and adjustable shutter speed, zoom in on the fine texture of a flower petal, or use lens flare to capture the perfect silhouette! These are just a few of the fun projects you can work on in this Digital Photography camp. Campers will explore digital photography in this dynamic hands-on camp taught by CFA’s own Photography Teacher. Each day will be a combination of photography instruction, capturing images out in the field, and learning editing techniques. Students will explore lighting, camera functions, composition, subject choices, and so much more! The week culminates with a 'Best Of' presentation of each photographer's strongest work captured during the camp.

**Cost:** $165 (a digital camera is required for this camp)
**Instructor:** Benedict R. Fancy, CFA Photography, Film and Video Teacher/Independent Filmmaker

### Ahoy, Matey! Pirates, Treasure, Adventure, and MORE!
**Rising grades PK-1 | 1:00 pm - 4:00 pm**
ARGH you ready, Mate, for a sloshing good time? Do you dare walk the plank blindfolded or hunt for treasure using a map from centuries ago? Create your very own treasure box to store all of your gold and loot, use your handmade telescope to scout out danger and ships on the sea, create a sword sure to scare, and feed your pet parrot pirate's booty as ye sit around the ship telling stories of long, long ago. Campers are sure to be "hooked" on this camp!

**Cost:** $165
**Instructor:** Cape Fear Academy Summer Programs Instructor

### L.O.L. Surprise! #FUN
**Rising grades K-1 | 1:00 pm - 4:00 pm**
